### THE VALUE

Step into a leadership experience designed to redefine how you lead. The WE United Leadership Summit is a carefully curated program delivering transformative growth, industry insight, and meaningful professional connections. Grounded in neuroscience and a human-centered leadership model, this Summit bridges people and performance, placing civility, ethics, and humanity at the heart of business.

*The time is now to grow,  
lead, and connect.*

### WHAT TO EXPECT

A high-impact agenda featuring practical, real-world insights from entrepreneurs, corporate leaders, and subject-matter experts, sharing both proven successes and hard-earned lessons.

*Collaborate. Inspire. Innovate.*

### WHO ATTENDS

The WE United model extends beyond the traditional electronics supply chain into technology-driven industries shaping modern innovation. Whether you are a seasoned executive or an emerging leader, you will gain the mindset, skills, and network needed to elevate your influence and impact.

#### **Professionals:**

A rare leadership-building opportunity to sharpen your capabilities, expand your influence, and gain practical tools to thrive in a rapidly evolving technology ecosystem.

#### **Organizations:**

A high-impact leadership development experience that energizes your workforce and strengthens your pipeline with future-ready leaders.

CIVILITY • ETHICS • HUMANITY

## WHAT YOU'LL WALK AWAY WITH

### **Leadership Completion Certificate:**

A distinguished credential to elevate your LinkedIn profile, executive résumé, and board visibility.

### **Meaningful Connections:**

Form genuine connections with top performers, mentors, and decision-makers, creating relationships that will inspire well beyond the Summit.

### **Career Pathing Strategies:**

Proven frameworks to accelerate advancement with clarity.

### **Leadership Skills:**

Business acumen in AI and digital technologies.

Leadership maturity: the ability to lead with civility, ethics, and humanity.

**Limited Capacity. Maximum ROI.**

## WHAT PAST ATTENDEES ARE SAYING

***The Summit has given me the energy I needed!***

*"Spending the last few days with this strong and brilliant crew at the WE Summit has given me the energy I needed! I'm grateful to be part of the WE organization, where we uplift, inspire, and empower each other. I'm already looking forward to our next event. A huge shout out to Master Electronics for supporting my journey and helping me grow into a better version of myself by attending these events."*

***I left with invaluable insights for personal growth and leadership.***

*"I want to thank the WE United team for hosting another outstanding Annual Leadership Summit. It was full of inspiration, with thought leaders who fully embody WE's mission: to empower, develop, advocate, and celebrate. I left with invaluable insights for personal growth and leadership that will enhance my work and help our teams evolve."*

***I am excited to apply what I learned!***

*"I was honored to attend another fantastic Summit this year! Shout out to the #WEUnited team! I always leave their events better than when I arrived. I am excited to apply what I learned and thankful for a few days spent with some incredibly talented and experienced women."*
